

Deuel County Lakes and Streams met March 2 at the Lanes, Clear Lake beginning at 7:30 PM. with a larger than usual group gathered. Membership dues have been coming in, with some new members joining. Donations have been coming in for the aerators electrical expenses.

Discussion was held on possible fund raising activities; such as, an auction or raffle. Members will try to come up with ideas and report at the next meeting.

Research was done on sales tax, and it was determined that DCLS is subject to having to pay sales tax on all purchases made in South Dakota.

A committee was formed to remove the aerators for the season. This will be done soon depending on the weather. The electrical outlet boxes will be upgraded before next season.

Deuel County Lakes & Streams Association wishes to convey a huge THANK YOU for everyone who has so generously donated to keep the aerators running. The electric bills accumulate quickly, and every donation helps tremendously in keeping the payments current.

The group was reminded of the South Dakota Lakes & Streams (State Association) meeting scheduled for March 11, 2010 at 1:00 PM at the Municipal Building, Clear Lake. DCLS members are encouraged to attend.

DCLS is on the web now under sdlakesandstreams.com. Click on the Lake Associations' Directory and under "Members", click on Deuel County Lakes & Streams Association. A direct route is: www.sdlakesandsteams.com/lakedomain/dcls.html

The next meeting of DCLS will be April 6, Tuesday at 7:30 PM at Mel's Pizza Restaurant, Clear Lake. Come early, enjoy a delicious home made pizza and then join the meeting at 7:30.

Elois Redlin, Secretary
DCLS
