Janie Wittmeier, Secretary - Oakwood Lakes Development Association

Tuesday December 6, 2011 with the low temperatures last night it appears the lake is completely froze over this morning. Monday 12/5 (yesterday) still had many open waters through out the lake system. Thinking about getting some bait and drilling a couple of holes and see what happens!!

Sunday October 23, 2011 – Thanks to Keith Drew (77 Oakwood Shoreline Drive) who put on his scuba gear and braved the N/NW waves to fix the broken aeration line out about 100 feet from the pump shed by the boat landing and in about 5 to 6 foot of water. The aeration line was caught by a boat late summer and was pulled apart by a previous connection of a previous break. Keith attempted to splice back together but when putting on the air to that line there was still a leak due to a bad connection piece. Therefore he needed to remove the old splice and put in a new splice and everything is back working with no leaks. Ready for the winter of 2011/2012!!! Thanks again Keith.

31 Years of Service for Main Aeration Line. This main Aeration line was assembled and placed in West Oakwood the fall of 1980 by the Oakwood Lakes Development Association for \$4745. with Logan Jackson, president, Syl Winters Vice President, Jean Nelson Secretary and Viola Willmott Treasurer. May 1980 to May 1981 the OLDA treasury spent \$4,745.61 for the various components of the aeration system and had a remaining balance of only \$407.64 on 5/81.

Tuesday November 8, 2011 – Thanks to all 38 Advertisers in the Oakwood Lakes Football Fundraiser Book. Today we are mailing to the first 21 advertisers, in the book, the list of winners thus far through November 7<sup>th</sup>. The remaining 17 advertisers will be sent the list of winners at the end of the 18<sup>th</sup> game on December 26<sup>th</sup>, 2011.

Advertisers in the first group of 21 are
